Re: Lafreniere v. United States; D. Mass CA No. 04-40070

Dear Judge Collings:

On June 20, 2006, your Honor allowed a postponement so the Government had an opportunity to review all of the facts and paperwork regarding the above-referenced civil action. The time has now lapsed past the 6 week time frame and I still have not received a response from the Court or the Government.

As your Honor is aware, this matter has been in the Court since May of 2004 with the Government constantly requesting extensions. I would ask, if the Court would allow another conference at your earliest convenience so we may resolve this matter without any further delays.

I thank your Honor in advance and await your response.

Sincerely,

Daniel E. Lafreniere
